

Chorus X

Allots man just jumped on board
for the cruise these ah dine a
dozen // but I'm here 4 the long
run so wlex I run More SKUZ is
Lohik.

I ride wld sunth // now I could
not hear mild weaponry wan I
slice every beat like fire elery
ya boyz telling I should make
man's forfiet // and girlz telling me
that grind heavenly atd her hoans
not as hell from the shear its
absorbing the beatbox plays my
melody like fortress of Infidelity
while she stuck of my deep cock!

Long overdue like Detox dont know
why they strong over you or
your weak flock of birds migrate
to an best place be gone // I break
bread with the fam and provide plates
that we can eat on //
